Dear Sir/ Madam,

Sub: Workshop on Sahaja Yoga Meditation

We at GlobalLogic, would like to sincerely thank Life Eternal Trust, Delhi for conducting a workshop on Sahaja Yoga Meditation for our employees.

We had 50 of our employees attending Sahaja Yoga Meditation. Each employee attended two sessions in a week. Each session was very well conducted, had conceptual clarity and was also very informative. The trainer took a lot of personal interest in dealing with every query that the employees had. The feedback that we have got on these sessions is extremely good. A lot of employees have already started meditating at home.

We would like to thank you for holding these sessions here. These sessions will surely help the employees in fighting stress and leading a healthy life.

Looking forward to taking more of these initiatives with you in future.

For GlobalLogic,

Madhvi Goyal
Director - People Development (HR)
